

Making Extra Money with Back Of Room (BOR) Sales Just Got a LOT EASIER!

Interested in making more money from shows, maybe doubling your fees? BOR sales is the way to do it!

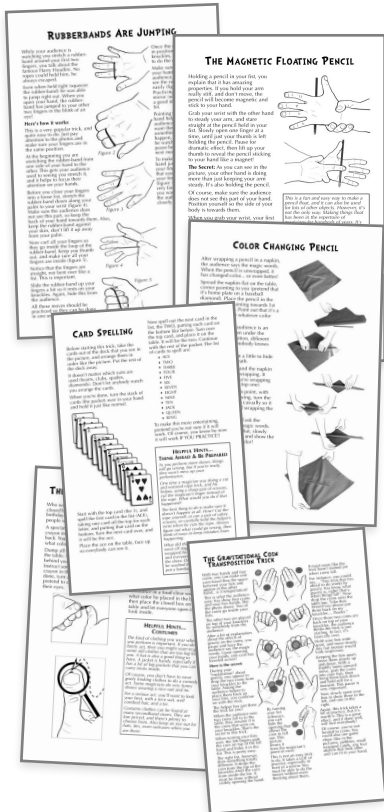

However, it takes a lot of time with a steep learning curve. When you research what's involved with writing, illustrating, designing, formatting, printing, and marketing your books it quickly becomes overwhelming! There's a lot to do. But now you can...

...Relax, I'll Handle The Entire Process For You!

My **Learn Magic instant author system** is a 44 page book that you sell with YOU as the author. The covers and inside pages have your contact info and photos. You can sell it in person or online.

Here's how I make it easy for you to sell books after your shows...

- ◆ **Each page includes** your photos, drawings, and of course your contact info including links, phone, etc.
- ◆ **You get a customized cover**, front & back, or I can create a new one from scratch. Helps to retain your branding and stand out from others.
- ◆ **Custom sign and poster** for use on your BOR sales table and website.
- ◆ **You get online-store pages** for your book in both CreateSpace and Amazon, and a unique ISBN number.
- ◆ **Your visitors can buy them directly** at retail prices. You won't need to do anything, Amazon and CreateSpace handle the orders, billing, and shipping. You'll then receive a large percentage of each book sold.
- ◆ **I order the wholesale books** for you whenever you need more. I add a small percentage to cover my costs and time. The books will be shipped directly to whichever address you specify. Useful if you're on the road with a touring show.
- ◆ **You even get the actual PDF files** for your book, signage, front & back covers, plus each page as a separate file. This helps when you want to just print a few pages at home for magic classes or show giveaways.

44 pages professionally written and illustrated.
Black & white or color

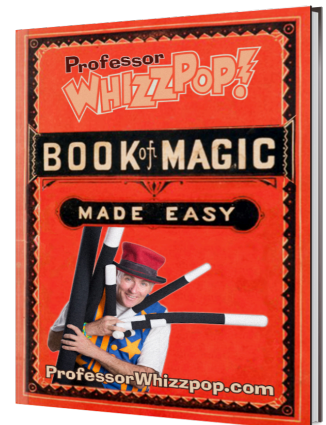

Ten cover templates to choose from, or custom designed for you.

The cost for the customizing and setups is \$400. The 5.5x8.5 B&W books sell retail for \$15 each, your wholesale cost is around \$3 each, so you make about \$12 profit on each one.
